

Mechanic (Certified 310J or 310T)

Location: King City, ON | Full-Time | On-Site

King City Trailers is a well-established, independently owned business with over 35 years of experience in trailer sales and truck accessory sales and service. Our clients include Small businesses, commercial fleets, dealerships, and individual customers who rely on us for practical solutions and dependable service.

The Opportunity:

We are seeking a skilled, **certified 310J or 310T Mechanic** (Truck & Trailer Technician) to join our professional and supportive team. We have a tenured and skilled group and we are looking to replace our certified mechanic who is soon retiring.

Why Join King City Trailers?

- **Competitive Pay & Benefits:** Depending on experience, an hourly wage of \$35 - \$42/hour, with the opportunity for overtime and target bonuses. Benefits include 70% personal and dependant; medical, prescriptions, dental and paramedics.
- **Vacation:** 2 weeks and closed for holidays
- **Job Security:** Your 310J/T license experience and credentials are essential to our operations, ensuring you are a key part of our business with strong job security.
- **Supportive Work Environment:** Join a professional team where your expertise is highly valued and relied upon and we all help to ensure our mutual success
- **Established Reputation:** Be part of a company with over 35 years of trust and a reputation for dependability, as reflected by customer testimonials praising our thorough safety inspections and knowledgeable staff.

The Role:

- Perform critical safety inspections and certifications on all types of utility, dump and enclosed trailers in accordance with the Ontario DriveOn program.
- Conduct comprehensive diagnostics, maintenance, and repairs on trailers and related equipment
- Ensure full compliance with all MTO (Ministry of Transportation of Ontario) safety requirements and company standards
- Maintain accurate and detailed records of all work performed and inspections completed
- Support our sales and service teams by ensuring the timely delivery of "safetied" trailers to our customers

What We're Looking For

- A licensed 310J/T Technician in Ontario **(required)**
- Strong diagnostic, problem-solving, and repair skills
- Ability to work independently and efficiently, but also enjoys working in a team environment
- A reliable, detail-oriented professional who is committed to quality workmanship
- Good communication skills
